Club Information

1. Club meetings will be every thursday from 6:00 PM to 7:00 PM at MEB 3115
2. Anyone is welcome to join the club, freshman to grad students, experienced to beginner, and from computer science majors to biology majors.
3. There is no official process to join the club, just join the discord and come to the meetings!
4. There is no requirement to come to every meeting but the more the better.
5. If you have any questions, ideas, comments or concerns about the club please feel free to message me at any time.

Club Overview

1. Improving Cybersecurity skills
 - a. Weekly Skills workshops
 - b. Weekly CTF competitions
 - c. Engaging community of people helping one another
2. Connecting you to Industry Professionals
 - a. Guest Speakers
 - b. Networking events
